**Summary of reasons
for classification:**

The DVD entitled *Election* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years.

The DVD contains a feature previously classified by the Classification Office, see written decision for OFLC No. 501270. The feature was classified as objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years, with the descriptive note "Contains violence." The decision was registered on 13 July 2005.

The DVD also contains a component about the making of the feature, interviews with the cast and crew, and five trailers for other features. The extra material does not provide grounds for changing the original decision or descriptive note.
